A 20x20 grid with a light gray background and thin gray lines. There are 12 horizontal black lines, each spanning 4 grid units. These lines are arranged in a 4x3 grid pattern. Each horizontal line has a black plus sign (+) centered above it. The plus signs are located at the following grid coordinates (row, column): (1, 1), (1, 9), (1, 17), (5, 1), (5, 9), (5, 17), (9, 1), (9, 9), (9, 17), (13, 1), (13, 9), (13, 17), and (17, 1), (17, 9), (17, 17). The horizontal lines are located at rows 2, 6, 10, 14, and 18.
